

*Can you help us with a little*

# ***Creative Financing?***

**Destination ImagiNation in New York needs your help!**

Across New York schools are being forced to cut back on expenses. Everything from libraries to sports to gifted programming to music and art are being reviewed for budget cuts.

For years our program has helped children harness the power of creativity and learn to solve any challenge with teamwork and confidence. In order to keep Destination ImagiNation and our tournaments alive and well in New York we need YOUR support! Every tax deductible dollar helps keep creativity in our kids lives!

Please read the back of this sheet and send your donation to: Destination ImagiNation of New York, 73 Minden Drive, Orchard Park, NY 14127. Please make your check out to "NY-DI"
