How Teams Will Get the DI Materials for 2004-2005

1. Team Challenges, Rules of the Road and the Team Manager Guide will be available for download by paid Passport holders after midnight on September 1, 2004.
2. Teams must submit a passport registration through DIONline or use the paper registration form with payment (check, credit card, *signed* purchase order). If you are using the paper form please use the form located on our NY website at <http://nydi.org/2005Passport.pdf> If you are using DIONline just go to the International website at <http://www.destinationimagination.org/> and click on the DIONline bullseye at the the bottom left of your screen.
3. Once payment is received by DI headquarters in NJ, the passport will be activated and the passport Creator will have access to download the program materials through the DIONline system.
4. Team Managers that are not the Creator for the Team -Pak will have access once the Contact Person has setup the teams and assigned a team to the TM in DIONline.
5. CD-ROM Materials sets and hard copies if ordered, will be mailed out of the International office within 10 days from the date payment is received (check, credit card, *signed* purchase order) or to arrive 9/1/04
