## Purchasing School Supplies?

When you purchase your school supplies this year PLEASE consider purchasing at 'Office Max'. They have made a wonderful offer to NY-DI to allow all of our member's purchases to be used to help NY-DI accrue 'MaxPerks' rewards that can be redeemed for paper, printing costs etc. You would be amazed at how much you will save NY-DI just by making your regular purchases for back-to-school and using our MaxPerks number at checkout! **Please use MaxPerks Program ID # 2025-62957 for Destination ImagiNation of New York when purchasing at Office Max, CopyMax or the officemax.com website throughout the year.**

### Time to Start Thinking about Appraisers!

We are always in need of new appraisers, please feel free to copy this article and the Appraiser Response form on our website (<http://www.nydi.org/2008AppraiserForm.pdf>) along with the Team Challenge Summaries on our website (<http://www.nydi.org/2008Previews.htm>) and pass them on to anyone who might be interested in Appraising.

We **require** that each membership provide the name, address and telephone number(s) of at least one potential Appraiser for each team it sends into **REGIONAL** competition. This assures that our Appraisal team is representative of all of our members. Check with your **REGIONAL DIRECTOR** for information and requirements regarding Appraisers for your tournaments.

The Eastern Regional Director is [Seth Davis](#) - the Eastern Regional Tournament is scheduled for 3/1/08.  
The Western Regional Director is [Dee Urban](#) - the Western Regional Tournament is scheduled for 3/8/08.  
The Central Regional Director is [Jan Simone](#) - the Central Regional Showcase is scheduled for 3/14/08.

Here is a sample Appraiser Invitation letter:

In the past, the role of appraiser during the competition has contributed greatly to the overall success of the event. I am inviting you to appraise one of the challenges at this year's Regional Tournament. The Team Challenge Summaries can be accessed at our website. As always, Instant Challenges cannot be revealed until the day of the competition. Please fill out the "Appraiser Response Form" and return it as soon as possible, but not later than 2/1/08 so we may send out Appraising team assignments and the complete Challenge in advance of our Appraiser training. It is essential that all appraisers be properly certified for their particular challenge and therefore Appraiser training is **mandatory**. Your attendance will insure personal confidence, as well as competent Appraisal. If you would like to Appraise, but this session is inconvenient, please contact your Regional Director - we CAN and WILL make special arrangements for you!

We encourage you to also Appraise at our State Tournament to be held on April 5, 2008. If you are interested in appraising at our State Tournament please check the appropriate box on the Appraiser Response Form. I urge you to consider this critical role.

### Keeping Up To Date...

It is very important that you get in the habit of checking e-mail and our website at <http://nydi.org> often! It is cost prohibitive to do business by mail, therefore it is **CRITICAL** that every team have at least one person who is responsible for checking e-mail at least once a week, but preferably daily, for important information about the Program. All NY-DI newsletters will be posted to our website and an e-mail will be sent to each contact person whose e-mail address we have with any important website updates. If you want to be included on our e-mailing-list please go to our website homepage (<http://www.nydi.org>) and click on "CLICK HERE TO BE INCLUDED IN ALL NY-DI MAILINGS" in the Latest News section of the homepage.

### As always...

If I can be of any assistance to you as you begin this journey for the 1st time, or continue on the DI journey for another exciting year, please feel free to contact me at any time - the NY-DI Board members, Regional Directors and I stand ready to help you to provide the very best program to the students of New York...

Committed to Creativity,
