**Reason for nomination:**  
 Due to an inadvertent clerical error this team had to perform two (2) Instant Challenges—and have only the one they were unprepared for count. When faced with this unique challenge they rose to the occasion and performed like troopers. In DI we can say more than “we’re sorry.”—we can recognize the true **Spirit of DI**.

Reason for nomination	<p>This group clearly serves as a role model: they were very courageous in taking on a brand new challenge that requires extensive partnerships in their community and extends DI beyond its normal boundaries. The group was tenacious about making this work and committed to the mission of addressing health issues for kids. Their passion drove the actions of their PTA and school district to improve the food at school and offer exercise during recess. Their project gave us all a glimpse of how kids will take the learning from DI out into the world to make a positive change in the future.</p>
